

TRANSITION ROGERS PARK

Working Together • Building Resilience • Transforming Community to Sustainability

Transition Rogers Park - In Residence at Mess Hall July 26 through August 6, 2011

Transition Rogers Park is based on the global transition town movement, a permaculture design for bringing a community like ours together to respond to the challenges of peak oil, climate change and economic instability.

GOT HOUSING?

Tuesday, July 26 - 7:00 pm to 9:00 pm

If you are a single parent, a senior, a grandparent raising children, disabled, or live paycheck to paycheck, affordable housing is a pipe dream. We need a new approach! *Refreshments served.*

MOVING FROM FLASH MOBS TO SMART MOBS & JUNK VS. REAL NEWS

Wednesday, July 27 - 7:00 pm to 9:00 pm

How do you sort out the junk from the real news? And how can you use social networking and smart mobs to get your message out in a positive way? *Refreshments served.*

TRANSITION TOWNS AND PERMACULTURE

Thursday, July 28 - 6:00 pm to 8:00 pm

Learn about Transition Towns, Transition Rogers Park, and how permaculture can be used to design both our physical and social landscapes. Come meet some of us "transitioners"! *Refreshments served.*

OH \$HIT - DA\$ KRAPITAL

Friday, July 29 - 7:00 pm to 9:00 pm

How do you measure your economic bottom line? What do you forecast for your economic future? What would a sustainable economy look like? *Refreshments served.*

BYOF - SATURDAY AT THE MOVIES

Saturday, July 30 - 2:00 pm to 6:00 pm

Bring a 10-minute video clip highlighting your vision for building a healthy, just and sustainable low-carbon future, and then lead the discussion! *Refreshments served.*

FARMIN' IN THE HOOD

Wednesday, August 3 - 6:30 pm to 9:00 pm

Come with vision, ideas and ready to commit to make a just, sustainable food system a reality in Rogers Park! *Refreshments served.*

AND ON THE 7th DAY...

Saturday, August 6 - 10 am to 1 pm

What does a low-carbon, low-energy future look like? How can we ensure that all have the resources required to lead a healthy, dignified life? Using open space technology, we'll create a vision for our community and then identify the steps we need to take to get there! *Refreshments served.*
