UPDATE

Protect the Middle Fork Campaign

October 1, 2018

6:30 pm to 8:00 pm
Champaign Public Library
200 W Green St, Champaign

October 11, 2018

6:00 pm to 7:30 pm
Danville Public Library
319 N Vermilion St, Danville

Featuring:

Lan and Pam Richart, Co-Directors, Eco-Justice Collaborative
Andrew Rehn, Water Resources Engineer, Prairie Rivers Network

Attend either meeting to:

- Hear updates on agency review and permitting for riverbank stabilization.
- Learn how you can provide meaningful comments on the controversial proposal to cap and permanently leave toxic coal ash in the floodplain of Illinois' only National Scenic River.
- Find out what each gubernatorial candidate intends to do to protect the river and economic benefits the river brings to Vermilion County, Danville, and the State of Illinois.

Sponsored by Eco-Justice Collaborative
